Toddler & Preschool Program Syllabus

School Philosophy

Our program is designed to provide a safe, nurturing, engaging, and developmentally appropriate learning environment where children can grow socially, emotionally, physically, intellectually, and creatively. The curriculum blends Montessori-inspired learning, hands-on exploration, practical life skills, social development, early academics, movement, music, creativity, and character-building.

The goal is to foster independence, curiosity, confidence, kindness, concentration, and a lifelong love of learning.

TODDLER PROGRAM SYLLABUS

Age Group: 16 Months – 33 Months

Program Goals

The Toddler Program focuses on:

- Building independence
- Language development
- Social and emotional growth
- Sensory exploration
- Practical life skills
- Early cognitive development
- Establishing routines and confidence

Toddler Learning Areas

1. Practical Life Skills

Children are encouraged to participate in daily routines and self-help activities.

Activities Include:

- Hand washing
- Carrying trays and materials
- Spoon transfer and pouring
- Cleaning up after activities

- Dressing skills (zippers, buttons, shoes)
- Snack preparation assistance
- Grace and courtesy lessons

Goals:

- Independence
- Coordination
- Concentration
- Confidence
- Responsibility

---

2. Language Development

The language curriculum supports vocabulary building, communication, listening, and early literacy.

Activities Include:

- Naming objects and pictures
- Songs and rhymes
- Story time
- Conversation circles
- Matching pictures and objects
- Sound awareness activities
- Introduction to letters and phonics

Goals:

- Vocabulary growth
- Listening skills
- Verbal expression
- Early communication confidence

---

3. Sensory Exploration

Hands-on sensory experiences help children understand and organize the world around them.

Activities Include:

- Texture exploration
- Sorting by color and shape
- Water play
- Sand play

- Sensory bins
- Smelling and tasting activities
- Matching activities

Goals:

- Sensory awareness
- Observation skills
- Classification skills
- Cognitive development

---

4. Fine Motor Development

Children strengthen hand coordination and control through hands-on activities.

Activities Include:

- Stacking
- Peg puzzles
- Bead threading
- Scooping and pouring
- Play dough
- Crayon use
- Tearing and gluing paper

Goals:

- Hand-eye coordination
- Finger strength
- Pencil readiness
- Concentration

---

5. Gross Motor Development

Movement activities help children develop balance, coordination, and body awareness.

Activities Include:

- Walking on lines
- Climbing
- Dancing and music movement
- Outdoor play
- Ball activities
- Obstacle courses

- Jumping and stretching

Goals:

- Coordination
- Balance
- Strength
- Body control

---

6. Social & Emotional Development

Children learn how to interact positively and respectfully with others.

Activities Include:

- Group circles
- Sharing and turn-taking
- Emotional expression
- Grace and courtesy
- Cooperative play
- Conflict resolution support

Goals:

- Emotional regulation
- Social confidence
- Respect and empathy
- Positive peer interaction

---

7. Art, Music & Creativity

Creative experiences encourage imagination and self-expression.

Activities Include:

- Painting
- Coloring
- Singing
- Musical instruments
- Craft activities
- Dramatic play
- Dance and movement

Goals:

- Creativity

- Expression
- Confidence
- Sensory integration

PRESCHOOL PROGRAM SYLLABUS

Age Group: 33 Months – 6 Years

Program Goals

The Preschool Program prepares children academically, socially, emotionally, and physically for Kindergarten while nurturing independence and curiosity.

The curriculum emphasizes:

- Early literacy
- Math readiness
- Practical life skills
- Social-emotional development
- Science and discovery
- Creativity and movement
- Independence and concentration

Preschool Learning Areas

1. Practical Life & Independence

Children develop responsibility, organization, and independence through daily classroom routines.

Activities Include:

- Food preparation
- Cleaning and organizing materials
- Dressing frames
- Plant care
- Classroom responsibilities
- Grace and courtesy lessons

Goals:

- Independence
- Responsibility

- Focus
- Coordination
- Self-confidence

---

2. Language & Literacy

The literacy program builds foundational reading and writing skills.

Skills Covered:

- Letter recognition
- Phonics and sound awareness
- Vocabulary building
- Story sequencing
- Rhyming
- Listening comprehension
- Pre-writing and writing skills
- Beginning reading activities

Activities Include:

- Sandpaper letters
- Story time
- Letter tracing
- Picture-word matching
- Name writing
- Group discussions
- Reading readiness games

Goals:

- Early reading readiness
- Writing readiness
- Communication skills
- Listening and comprehension

---

3. Mathematics

Children are introduced to early math concepts through hands-on learning.

Skills Covered:

- Number recognition
- Counting

- One-to-one correspondence
- Sorting and patterns
- Shapes
- Measurement
- Simple addition concepts
- Sequencing

Activities Include:

- Counting objects
- Number rods
- Sorting games
- Pattern activities
- Measuring activities
- Calendar work

Goals:

- Number sense
- Logical thinking
- Problem solving
- Math readiness

---

4. Science & Discovery

Children explore the natural world through observation and hands-on activities.

Topics Include:

- Seasons and weather
- Plants and animals
- Nature studies
- Five senses
- Simple experiments
- Healthy habits
- Environmental awareness

Goals:

- Curiosity
- Observation skills
- Scientific thinking
- Appreciation for nature

---

5. Cultural Studies & Community Awareness

Children are introduced to people, traditions, and the world around them.

Activities Include:

- Maps and globes
- Community helpers
- Holidays and celebrations
- Music from different cultures
- Family traditions

Goals:

- Respect for diversity
- Community awareness
- Cultural understanding

---

6. Social & Emotional Development

Children learn self-regulation, cooperation, communication, and confidence.

Skills Covered:

- Friendship skills
- Emotional expression
- Cooperation
- Conflict resolution
- Respect and empathy
- Group participation

Goals:

- Positive relationships
- Emotional confidence
- Classroom readiness
- Self-regulation

---

7. Fine Motor & Writing Readiness

Children strengthen muscles and coordination needed for writing.

Activities Include:

- Tracing
- Cutting with scissors

- Drawing and coloring
- Manipulative activities
- Beading and threading
- Writing practice

Goals:

- Pencil control
- Hand strength
- Coordination
- Writing readiness

---

8. Gross Motor & Physical Development

Physical activities support healthy growth and coordination.

Activities Include:

- Outdoor play
- Running and jumping
- Yoga and stretching
- Dance and movement
- Balance activities
- Sports readiness games

Goals:

- Strength
- Coordination
- Balance
- Healthy physical development

---

9. Art, Music & Creative Expression

Creative activities encourage imagination, confidence, and expression.

Activities Include:

- Painting and drawing
- Craft projects
- Singing and rhythm
- Musical instruments
- Dramatic play
- Dance and movement

Goals:

- Creativity
- Self-expression
- Confidence
- Artistic exploration

DAILY SCHEDULE SAMPL (6:30 AM To 6 PM)

Toddler Program

- Arrival & Greeting
- Break Fast
- Free Exploration
- Circle Time
- Practical Life Activities
- Outdoor Play
- Diapering & Toilet Learning
- Lunch Time
- Rest and Nap Time
- Quiet Wake-Up Time.
- Toileting & Diapering Care
- Snacks
- Story & Music
- Afternoon Activities
- Departure

Preschool Program

- Arrival & Greeting
- Break Fast
- Montessori Work Cycle
- Literacy & Math Activities
- Outdoor Play
- Lunch
- Rest/Quiet Time
- Science/Art/Enrichment
- Group Activities
- Departure

ASSESSMENT & COMMUNICATION

Teachers observe and document each child's growth and development through:

- Daily observations
- Progress tracking
- Parent-teacher communication
- Conferences and developmental updates

SCHOOL OFFERINGS & PROGRAM INFORMATION

What We Provide

Our school is committed to providing a safe, nurturing, engaging, and developmentally appropriate learning environment for young children.

Included in Our Program

- Montessori-inspired learning environment
- Toddler and Preschool programs
- Hands-on learning activities
- Practical life and independence development
- Early literacy and math readiness
- Art, music, movement, and sensory activities
- Social-emotional learning
- Outdoor play and physical development
- Morning breakfast
- Healthy daily snacks
- Caring and supportive classroom environment
- Parent communication and developmental updates

What Families Provide

To help ensure clarity and consistency for all families, please note the following:

Transportation

- Families are responsible for student transportation.
- The school currently does not provide:
    - School bus services
    - Pick-up services

- Drop-off services

Lunch

- Families are responsible for providing their child's lunch each day.
- The school provides breakfast and snacks only.

Personal Items

Families asked to provide:

- Extra clothes
- Diapers/wipes
- Weather-appropriate outdoor clothing
- Water bottle and labeled personal items
- Blanket for nape time.

Our Commitment to Families

We strive to create a warm and welcoming environment where children feel safe, valued, encouraged, and inspired to learn.

Our goal is to partner closely with families to support each child's growth, independence, confidence, and love of learning.

PROGRAM VALUES

Our program encourages:

- Respect
- Kindness
- Independence
- Curiosity
- Confidence
- Responsibility
- Creativity
- Cooperation
- Love of learning

We strive to create a joyful environment where every child feels valued, supported, and inspired to grow.
